

AROUND THE CAMPFIRE
Woodland Camp Newsletter
March 2008

This has been a long cold winter and it will be nice to get back into the warmer weather. Camp will be opening the weekend of (April 12th). The board would like to take this time to welcome everyone back and hope that everyone has a wonderful summer and enjoys all the events planned for this year. There is a calendar and an attachment on activities for you to post in your campers and if you would like another for home, stop by the office and ask for one. We also have the calendar on our web site. Mary has planned many events this year and there is a need for extra helping hands to make this an enjoyable year. If you would like to help contact **Mary Francis Block 15 Lots 69-72 or call 712-256-0450.**

This has been a long winter for many of our members this year. We would like to take this time to acknowledge all the members that have lost a loved one or that are recovering from an illness. Our thoughts and prayers are there for all of you.
