

PERMIT PROCEDURES

(Building and Tree Removal)

Permits may be obtained in the office during normal business hours or online at [www: woodlandcamp.net](http://www.woodlandcamp.net). Each permit will have an individual control number.

When the lot owner has completed the permit, he/she may return the completed permit either to the office or an Environmental Control committee member.

When the permit has been approved by the committee the property owner may obtain a copy of the approved permit in the office. All finished permits will be recorded in a database in the office. The completed original permit will be retained by the committee.

Remember you need to allow two weeks for signing of permits. Project may not start prior to approval.

Committee Members:

Dean Garnett	Blk 6, Lots 23-25
Kenny Croson	Blk 4, Lot 83-86
"Harp" Harper blk 7 lots 4&5	Blk 7, Lot 4-5
Alternate - Danny (Boomer) Rife	Blk 15, Lots 157-158

**Permit Cost: \$2 for tree
\$10 for building permit**

*****These costs must be paid at the time you turn in your permit. No exceptions.**
